Authors retain their Copyright. However, WaterHill Publishing distributes its publications throughout the world and wants to ensure that the work you are submitting for publication is properly available for general dissemination to the readership without restrictions. For that purpose, you agree to give WaterHill Publishing worldwide rights to publish and distribute your work, in full or in part, in any form and media expressions (including print, electronic, online or in other forms or media now known or developed in the future) without payment of royalties.

You (the author(s)) furthermore warrant that:

1. you are the author or co-author of the work;
2. if the same work have been published elsewhere, you included a statement to acknowledge the original source;
3. if the work has previously been published, no proprietary rights, copyrights, or others are being violated by re-publishing in CrossBridge;
4. all text from other sources has been properly quoted and acknowledged, and all applicable references listed;
5. you have obtained necessary permissions for any trademarked or copyrighted material such as images, photographs, etc and those permissions are indicated in the work;
6. dissemination of the work is not subjected to any restriction related to its disclosure by your employer or other parties;
7. you are solely responsible for any legal cost or financial penalties arising from opinions stated in your paper as well as copyright, trademark or intellectual property infringement by your paper.
